ADVERTISEMENTS

Dear Mr. Thompson

Throughout your many years of teaching at F.C.H.S. your every effort has been to give to the student body and to the community a lasting appreciation for the finer things of life. Be assured that your work has not been in vain, for many have been influenced by it. By your guidance and unselfish help the various choral groups of our school have come to be respected by others. Because of you Ford City is now well known for its musical as well as athletic accomplishments.

Our class will always admire and respect you for your help, friendship, and wonderful personality.

We, the class of 1961, are proud to dedicate our Trireme to you as a small expression of our gratitude.

Very respectfully yours
The Class of 1961

Dear Miss Schaffer,

Every nurse is supposed to be another "Florence Nightingale," and we, the seniors of Ford City High School, truly believe you are. You were always there when an accident occurred to give medical aid and soothing comfort to anyone in need.

We will never be able to thank you enough for your untiring efforts in fostering the future nurses of America. You have encouraged many to investigate the possibilities of a nursing career.

We thank you, Miss Schaffer, for your wonderful devotion to your work. We will always remember you as a helpful friend.

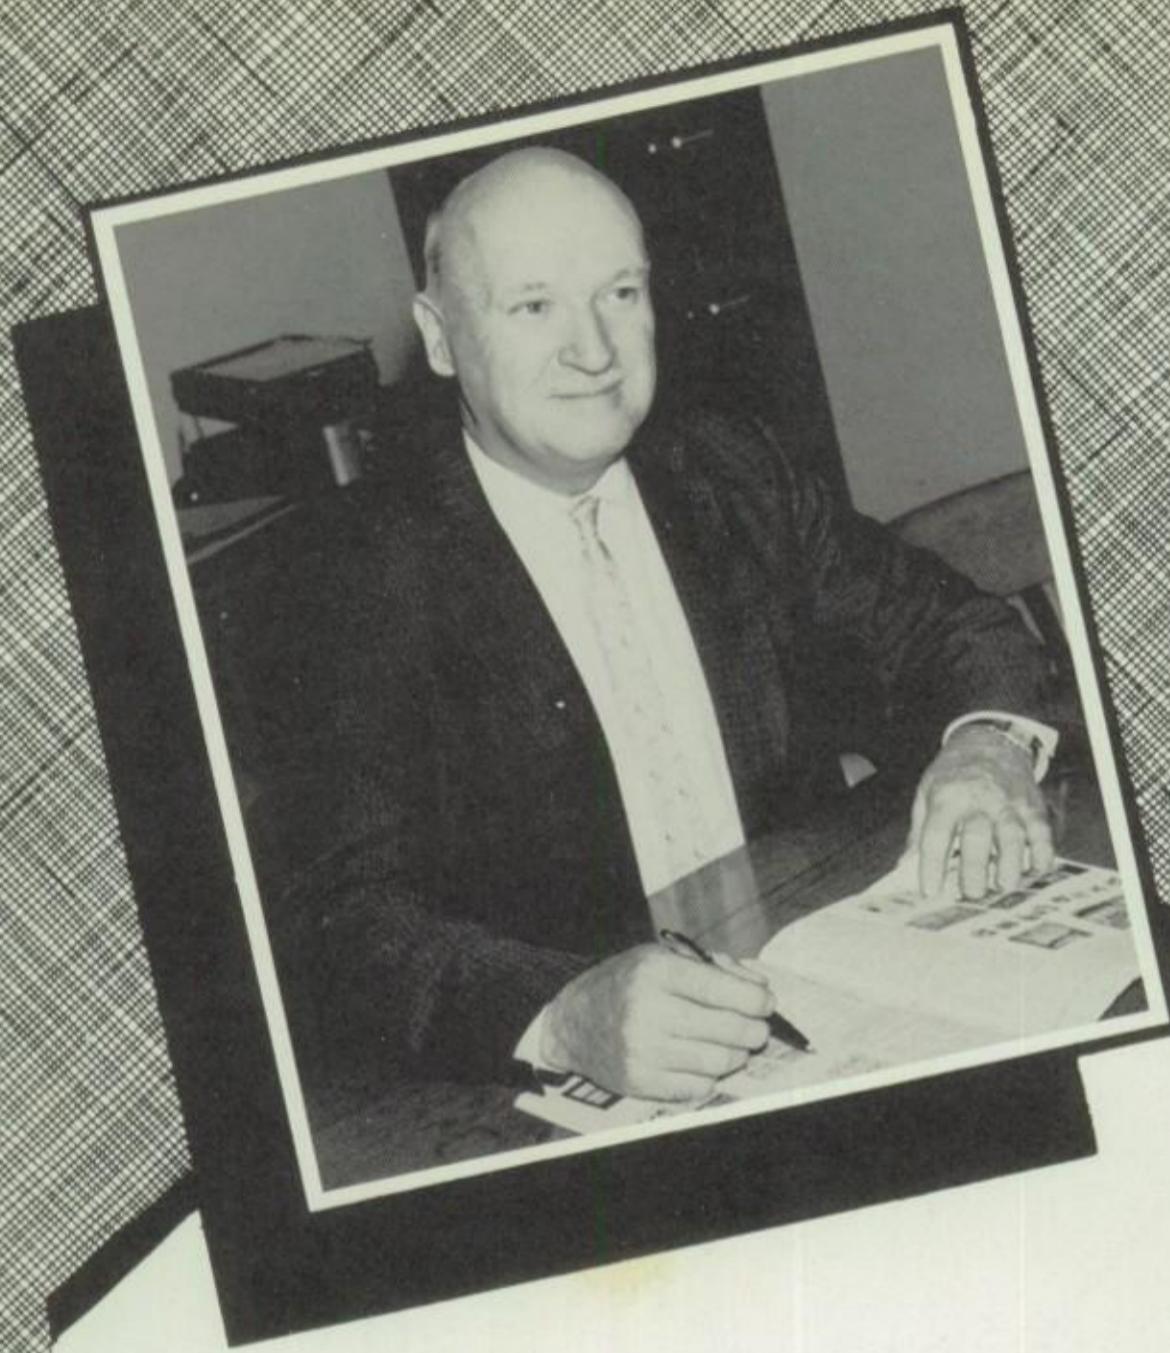

Gratefully yours,
The Class of 1961

Seniors:

You have now arrived at the end of another phase of your development and I realize that counseling and advice have been given you from many sources but I would like to add just a couple more pieces of advice:

Find a good philosophy to live by and stay with it for so long as you live. Set your goal high, perhaps "hitch your wagon to a star" and let nothing deter you from reaching that goal. People become great only by setting standards for themselves and then by moving ahead and d-o-i-n-g.

Good luck to all of you.

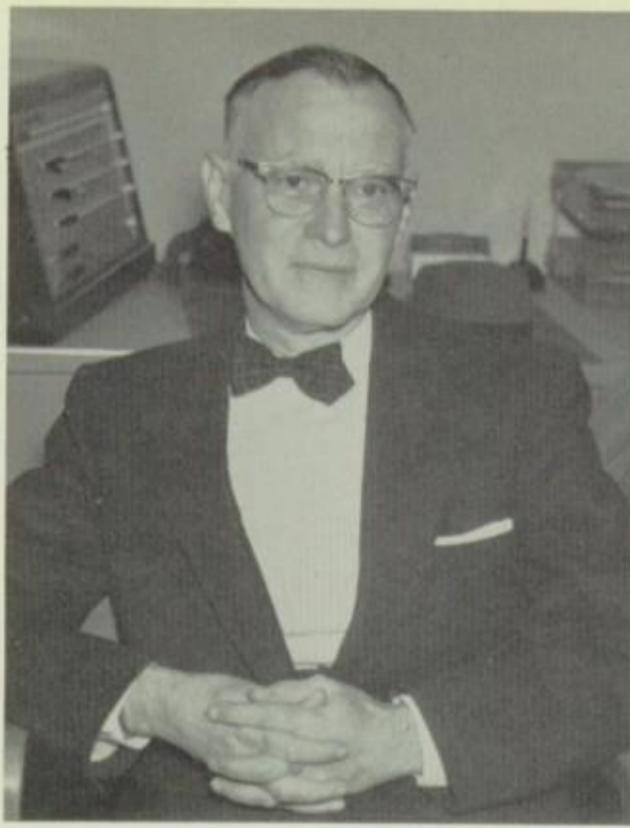

Willis A. Baum
Superintendent

Tradition and progress have always gone hand in hand at Ford City. We believe in the awe-inspiring world of space and science; yet feel that history, the classics, and fine arts are a vital part of youth education for tomorrow.

The Class of 1961 will proudly carry to colleges, technical schools, services, and the workaday world the fruits of this philosophy; molded with high hopes and ambition for a successful future.

It has been our pleasure to have Miss Mary Singenidou as our first foreign exchange student. Mary is from Hraclion, Crete. She was brought here through the efforts of the American Field Service Committee. Mary has made many new friends this year and has become as "American" as any of us. We have learned many new things from Mary. The class of '61 will always feel proud to have been the host to our Greek friend.

A.F.S.

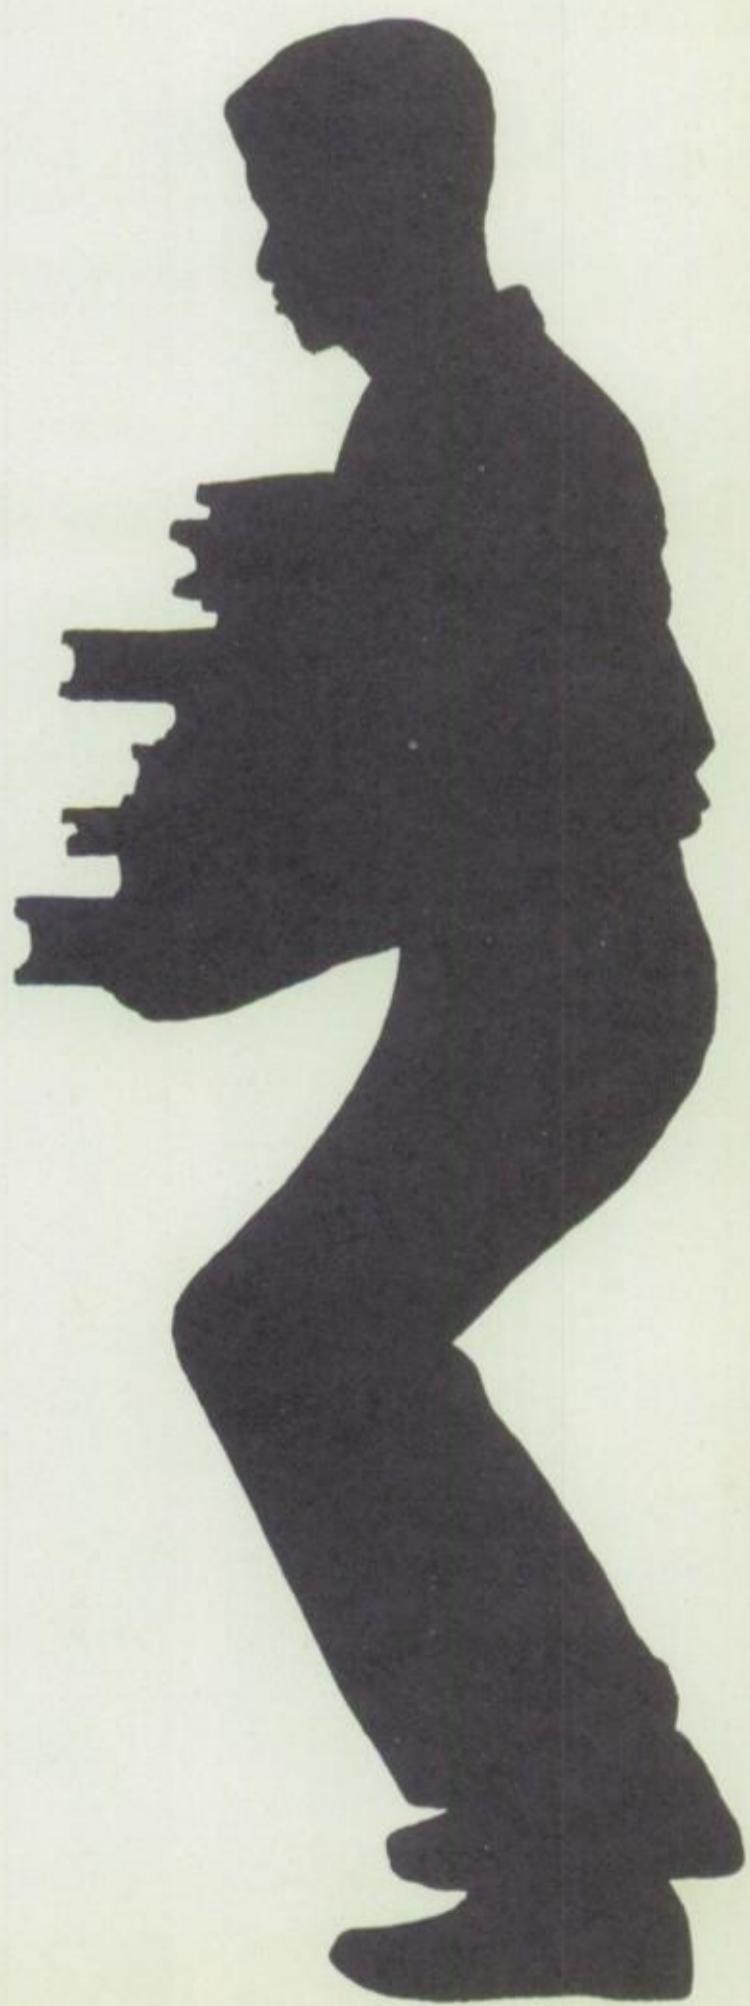

The American Field Service selected as Mary's home this year the Robert Martin family. They live at R.D. #2 Ford City, and Mary gained a new experience by riding a school bus to school each day. The Martin family will probably feel the loss of Mary more than anyone else.

MR. CHARLEY

Our affable head football coach, Walt Charley, has been at our high school for seven seasons. His cooperative spirit is apparent in all his endeavors, on and off the field. His ever present good nature causes him to be known as a friend not to his football team alone, but to the entire student body.

This year, as in the past, the Varsity Chorus, under the direction of Mr. Martin Thompson, has seen a very busy schedule. We were represented at County and District Chorus and entered the Forensic Contest at Clarion. Exchange concerts were given at Butler and Monetaugh.

Perhaps the most important event this year was the Christmas presentation of Handel's Messiah performed together with the Leechburg Chorus. We the graduating class of '61 extend our thanks to you, Mr. Thompson, for the fine work you have done with our Chorus.

Mr. Petronchek

The band, under the direction of Mr. Michael Petronchek, enjoyed a very successful year. Besides playing for all football games, the band participated in various other activities. They presented their Spring Concert on March 17. They also combined with Kittanning and Worthington for a Tri-City Band Concert, featuring Bill Paige. The band wishes to express their thanks to Mr. Petronchek for all his help and guidance this year.

DON'T TAKE MY PENNY

This three-act comedy portraits a sixteen year old girl with an ambition to become a star in glamorous Hollywood. She makes some rather dramatic plans for her career, but finally convinced by her tennis-playing boyfriend that there was someone else better suited for that type of work.

THE CURIOUS SAVAGE

Mrs. Savage was a curious old woman. Her children thought she should be put in an institution but they wanted her money which she had skillfully hidden. The result was a hilarious three-act comedy enjoyed by all.
